**Module Definition:** A pathologic corneal specimen with suspected infection/inflammation processed and diagnosed by you in the past 18 months.

### History (Positive or Negative Findings)

Recorded	Not Recorded	Not Applicable	Item
<input type="radio"/>	<input type="radio"/>		1. Patient's full name
<input type="radio"/>	<input type="radio"/>		2. Patient's birth date
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	3. Patient's medical record number
<input type="radio"/>	<input type="radio"/>		4. Accession number
<input type="radio"/>	<input type="radio"/>		5. Date of surgery
<input type="radio"/>	<input type="radio"/>		6. Preoperative diagnosis
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	7. Pertinent medical history
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	8. Pertinent results of eye exam

### Examination and Diagnostic Procedures

Recorded	Not Recorded	Not Applicable	Item
<input type="radio"/>	<input type="radio"/>		1. Specimen label matches identification on request sheet
<input type="radio"/>	<input type="radio"/>		2. Fixative type or method of transmission to laboratory
<input type="radio"/>	<input type="radio"/>		3. Specimen size
<input type="radio"/>	<input type="radio"/>		4. Specimen color
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	5. Sutures or other markers noted

### Assessment and Management

Recorded	Not Recorded	Not Applicable	Item
<input type="radio"/>	<input type="radio"/>		1. Tissue stain(s) other than H & E (hematoxylin-eosin)
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	2. Inflammation type
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	3. Presence or absence of infectious organisms noted
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	4. Vascularization of specimen noted
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	5. Infectious organisms at tissue margin

### Communication and Follow-Up

Recorded	Not Recorded	Not Applicable	Item
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	1. Previous slides or reports reviewed and

			commented on
<input type="radio"/>	<input type="radio"/>		2. Appropriate physician notified by phone, electronic communication or mail with date
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	3. Report signed within 4 business days of receipt of the specimen in the laboratory
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	4. Missing history obtained
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	5. Further intervention recommended
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	6. Blocks/slides sent for consultation

Safety and Environment			
Recorded	Not Recorded	Not Applicable	Item
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	1. HIV and transmissible spongiform encephalopathies precautions
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	2. Infectious hepatitis precautions
